

Gina Alligood

Program Manager, SIM Team | Region 13 Education Service Center | Austin, TX

Gina first implemented SIM Content Enhancement Routines as an ELA middle school teacher in Leander ISD, Texas in 2004. The success of the model with her students led her to a position as a member of the SIM Team at the Region 13 Education Service Center. For the past three years she has served as a SIM Coach and CE and LS Professional Developer on Central Texas campuses. Gina's current focus with the Region 13 SIM team is developing On-Line Resources to support sustainability of the work on CLC/SIM campuses.
