

## **Catherine (Morri) Pace**

SIM Professional Developer | Chesterfield County Public Schools |  
Richmond, VA

Morri has been a teacher for 17 years in multiple teaching environments and has been engaged in the professional development of teachers for 15 years. Morri has taught students ranging from the International Baccalaureate Program to the collaborative teaching environment. Currently, she is a full-time Chesterfield County Public Schools (CCPS) Online Social Studies teacher who creates digital content and provides unique learning experiences for a diverse student population. Morri is also a Strategic Instructional Model Content Enhancement Routine Professional Development Consultant for KUCRL, Virginia Department of Education (VDOE) and Chesterfield County Public Schools. For the past three years, she has partnered with the CCPS Central Office and the VDOE T/TAC at Virginia Commonwealth University to create SIM CER PD experiences by organizing, supporting, and coaching SIM CER Cohorts in CCPS. Morri is the proud mother to 18-year-old Josh who will be starting college at the Fall.
