**What if? ...the Story Behind Differentiated Visual Tools**

*Thurs. July 13 - 8-8:45AM | Hancock Ballroom*

**Topic:** Learning  |  **Session Type:** Kaleidoscope

Differentiated Visual Tools (DVTs), the newest member of the family of SIM interventions, are the result of persistence in the face of a ton of epiphanies and that nagging question, “What if…” Ed Ellis tells the story of how these powerful tools came to be.

**Presenter:** Ed Ellis
